## **THANK-YOU for Attending the Annual Member Appreciation BBQ**

The Luseland Credit Union Member Appreciation Barbeque was held on Tuesday, June 12. The BBQ was held indoors due to the gale force winds that day and it was a great success. Proceeds from the barbeque totaling \$1,178.00 were donated to the new Swimming Pool. Congratulations to the winners of the door prizes, Henry Knorr, Greg Scheidt, Marianne Delhommeau, and Richard Wagner. Prairie Petals Greenhouse donated a beautiful planter arrangement to be raffled with the proceeds also going to the new Swimming Pool. The winner of the arrangement was Lorie Fischer with a total of \$307.00 raised. Thank you to Clarence Obrigewitch for cooking the burgers for us on his Traeger BBQ. Thank you to all who came out and supported the Annual BBQ!

## Lock 'N' Block

Our banking world is one of convenience, where many transactions are processed using debit cards. While this may eliminate the need to carry cash, it also increases the risk of fraudulent activity. With *Lock 'N' Block* you can change the use of your debit cards at anytime, anywhere.

You can:

- Lock or unlock your debit card completely
- Block or unblock your debit card for purchases and refunds
- Block and unblock your debit card for ATM transactions
- Block and unblock international transactions—**highly recommended**
- Have peace of mind knowing that you have greater control of your debit cards

## Reset PAC and Challenge Questions

Every once in a while it seems that our memory plays tricks on us and we forget one of those important facts that we have used as our security question for our online banking and you become locked out. We now have a secure solution to a memory lapse! If you have forgotten your PAC (password) or an answer to a security question, you must first visit the MemberDirect site on a computer to access the reset feature. MemberDirect will prompt you to complete further personal information. Once you have correctly completed all the personal ID questions you will then be allowed to reset your PAC or Challenge Questions and it will be business as usual.
