Luseland CU Donates to Luseland Library

The Luseland Credit Union's vision statement states 'Working together to build a better community' and as part of that continued commitment the Luseland Credit Union Board of Directors donated \$8,000.00 to the Town of Luseland Library. The money was put towards the cost of new shelving for the library.

In addition, the Credit Union has donated the proceeds from our annual member appreciation BBQ to the Luseland Theatre. This year the BBQ was held on June 16 and it was a successful event with well over 200 people enjoying the burgers, pop and ice cream treats. Funds raised from the BBQ totaled \$1,195.00.

Interac® e-Transfer Notifications have a new look!

On September 20, 2015, we introduced a new look and feel to the email notification messages and to the gateway page of the Interac® e-Transfer service.

Consumers will experience a new smart and streamlined user experience when conducting an Interac® e-Transfer from any device, including mobile phones. They will also benefit from new features: direct access to their financial institution's online banking website and quick links to FAQs and help content.

In addition, the Interac® e-Transfer service will have the capability to remember a consumer's previous online banking preferences, resulting in a more efficient experience when sending/receiving an Interac® e-Transfer.

To learn more, visit www.Interac.ca or follow @INTERAC on Twitter or Facebook for regular updates.

Remember, if you receive an email about an Interac® e-Transfer from someone you do not know, or that you suspect is fraudulent, do not respond. Forward it to phishing@interac.ca.
