# Reset PAC & Challenge Questions

*Every once in awhile it seems that our memory plays tricks on us! We forget one of those important facts that we have used as our security question for our online banking and become locked out.*

We now have a **secure solution** to a memory lapse! If you have forgotten your PAC or an answer to a security question, you must first log in on a computer to access the reset feature. **MemberDirect** will prompt you to complete further personal information. Once you have correctly completed all the personal ID questions you will then be allowed to reset your PAC or Challenge Questions and it will be business as usual!

# JAM Club

## MUSIC NIGHT

**The Luseland JAM Club will be performing at the Luseland Homecoming Hall on Thursday, June 16 at 6:30.**

The opportunity for the Jam Club to perform in the Hall and use the lighting and sound equipment has been made possible by the Luseland Credit Union's offer to pay the rent for the evening. The Credit Union believes in our students broadening their world through music and are pleased to support the endeavors of the Luseland Jam Club. We look forward to an exciting performance on June 16th.

## **UPDATE:** Luseland CU's New Building

*Plans for the new building are complete and were available for viewing at the Annual Meeting. Currently the Building Committee is working with the Ministry of Environment to receive clearance to proceed with the building. All such things take time, however, the committee is confident that we will soon have the shovel in the ground and the building will begin.*
