Date: June 1, 2022 Issue: 29

Annual Membership Appreciation BBQ Tuesday, June 14

Join us from 11:00am to 1:00pm for a burger, pop, and ice cream treat. Instead of charging for lunch this year, we are accepting monetary donations, to go to the Luseland & District Food Bank. There will be giveaways and we will enter your name for a chance to win a number of door prizes.

Meet the Newest Member of Our Team

Meet Alexandra Johnson, the newest member of our team! Alex is our Back Office / Lending Admin, which is a new position required as we continue to grow. Alex comes to us with 3.5 year of Credit Union experience and lives with her boyfriend in the Kerrobert area. They have a cattle farming operation and enjoy participating in livestock shows.

Xpress Online Banking

Coming soon! Our new online banking platform, Xpress, will be live on Tuesday, June 7. Xpress will have a new look compared to our current MemberDirect online banking, but it will have the same great features, including e-transfer, mobile cheque deposit, bill payments, etc. This new platform will give members increased security with 2-factor authentication (a code sent to your email or cell phone) for certain transactions, which eliminates the need for security questions at login. With the increased security we can now offer increased e-transfer limits and real-time e-transfers up to \$500.00. Xpress will be username driven with a user-friendly, self-serve ability to access forgotten usernames and reset your own password quickly, and easily. If you have any questions, please call us at 306-372-4444 or email mobile@luselandcu.com.

Xpress Member Session Evening

LCU invites online banking users to attend an Xpress User Experience session on Wednesday, June 15, at 7:30pm. We will hold the session upstairs in our community room. During this session we will help users set up and get logged in to the new Xpress online banking platform and get them familiarized with the new look and where to find the familiar functions they are looking for.
